

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,
and Handling of Food."

I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Ronaine L. Wells

Additional comments: The FDA has not traced
the effects of irradiated foods over a
significant period of time. PROTECT CONSUMERS
IN THE MEAN TIME w/ "CHOICES"
